### COST

**\$299 per participant!** Includes up to 15 math-enhanced lessons & Friday lunches

### PROFESSIONAL DEVELOPMENT

Participants will earn **48 hours** of professional development CERTIFICATION credit (good for movement from provisional to standard certificate) from the Arizona Department of Education upon completion of the session.

### TO APPLY

**Register online at:**

<https://goo.gl/forms/V0J4fti9uKPF469I2>

Registration deadline: **September 23, 2016**

### WHAT'S HAPPENING?

- CTE Teachers will take Arizona Curriculum Consortium (already developed) math-enhanced lessons, developed using the NRCCTE model, and CUSTOMIZE them to their own programs
- Math concepts, necessary for CTE success, will be reviewed using these lessons, giving CTE teachers the confidence they need to deliver high-quality, math-enhanced CTE instruction
- Teachers will have up to 15 customized, math-enhanced lessons to immediately implement in their own classes. **That is almost one lesson per week for an entire semester!**

### SPONSORS

Arizona Department of Education, High Academic Standards for Students Division, Career and Technical Education Section, Pima JTED, Arizona Curriculum Consortium, & The University of Arizona
